Dear Shakeel Hdyeer

Thank you for your reply

Regarding the lessee of our long term deal, Mr. Kamran Saeed confirmed in his email dated 4th of May that it would be Mega and forbes group of companies.

So, I informed our headquarters of this.

Now that you would like it to your affiliate, Megafeeder, please let me ask our headquarters what procedure you have to take and get back to you.

In addition, is there anyone who can comment on the logo issue for me?

Regards,

Tony
